

Civil Services and Competitive Exam Coaching & Mentorship Program

AN EPOCH-MAKING COLLABORATION FOR FUTURE ACHIEVERS!

On **31st October 2025**, **SMART IAS FOUNDATION & SMART PREPS** officially signed a Memorandum of Understanding (MoU) with Women's College, Tinsukia, marking the beginning of a transformative academic partnership to launch a **Civil Services and Competitive Exam Coaching & Mentorship Program** right on the college campus. The MoU was executed between **SMART IAS FOUNDATION & SMART PREPS**, represented by Mr. Kaushik Kalita, and Women's College, Tinsukia, represented by the Principal, Dr. Mriganka Choudhury. Together, both institutions have pledged to create a strong academic and mentoring ecosystem that empowers students to excel in the Civil Services and other competitive examinations.

Purpose of the collaboration:

To nurture ambition, guide preparation, and make high-quality coaching accessible to every student in Upper Assam, especially women, without the need to leave their campus.

Key Highlights of the MoU:

- Launch of a structured Civil Services Coaching Program (UPSC & APSC) at Women's College, Tinsukia.
- Comprehensive mentoring and academic support designed **for all major competitive exams and government jobs**.
- Academic and administrative facilitation by the college for smooth program delivery.
- Joint promotional and awareness initiatives to reach and inspire more students.

This partnership extends far beyond Civil Services coaching — it opens doors for students aiming for any government or public sector opportunity.

Student benefits include:

- Expert guidance and structured study plans for multiple exams.
- Access to mock tests, interactive sessions, and one-on-one mentorship.
- Personality development and interview preparation modules.
- Empowerment through mentorship — especially for first-generation learners and women aspirants.

Interested students can visit the Women's College Office or contact Mr. Rituraj Borah for further guidance and queries.

Contact Number: 9401582078

THE FIRST BATCH SHALL COMMENCE FROM 7TH December, 2025.
